## Now Chinese get a taste for big cats' cock

NOT content with inflicting coronavirus on the world thanks to their filthy eating habits, now the Chinese are scoffing rare cats' COCKS!

Scientists have observed the case of a Mexican jaguar being poached for its genitals, which are used as aphrodisiacs.

Jaguar conservation boss Heliot Zarza said investigators late last year found the body of a jaguar from which only its penis had been removed.

It showed the same signs of poaching used by traffickers in Bolivia and Peru, where authorities have seized jaguar body parts from Chinese citizens.

He announced the Chinese market is the biggest threat facing jaguars in Latin America.

One conservationist said: "Vile bastards."

## Panic sparks masks raids

PANICKED shoppers are clearing the shelves of dust masks at DIY stores as the coronavirus spreads.

B&Q, Wickes, Screwfix and others have report a huge increase in demand.

A spokesman for Screwfix in Dundee said: "People are being a little bit silly, but it is causing us a problem. We are short of masks throughout the country."

The bug has killed hundreds in China but no-one in Scotland has yet been confirmed with the illness.

# I'M THE SUPER SPREADER!

## Cub Scout leader goes public

**THE businessman at the centre of a UK outbreak of coronavirus thanked the NHS for his treatment and said he is now "fully recovered".**

Steve Walsh, 53, from Hove in East Sussex, who is still in quarantine at St Thomas' Hospital in London, picked up the killer bug while at a conference in Singapore.

On his way back to the UK, Steve – who won the nickname 'Super-Spreader' – stopped off for several days at a French ski chalet, where five Britons were

subsequently infected with the virus.

He is also linked to at least five further cases of coronavirus in the UK, including two doctors, one of whom worked at a Brighton surgery that has closed its doors.

|||

Steve is also linked to a male patient taken ill in Majorca. Speaking from hospital, Steve, a cub scout leader, said: "I would like to thank the NHS

for their help and care. Whilst I have fully recovered, my thoughts are with others who have contracted coronavirus.

"As soon as I knew I had been exposed to a confirmed case of coronavirus, I contacted my GP, NHS 111 and Public Health England.

"I was advised to attend an isolated room at hospital, despite showing no symptoms, and subsequently self-isolated at home as instructed.

"When the diagnosis was confirmed I was sent to an isolation unit in hospital, where I remain."

Earlier, Prof Paul Cosford of

Public Health England (PHE), said the four new cases of coronavirus announced in the UK on Monday were "not a complete surprise" because they were all contacts of Steve.

He said "contact tracing" run by PHE was "working very well". He declined to say Steve was a "super-spreader" though he said he was aware of the term.

Speaking to BBC Radio 4's *Today* programme, he said: "It's nothing to do with their behaviour, it's simply a biological fact."

"I should say that the people who are of concern are those who've had very close contact with somebody with coronavirus for 15 minutes or more."

Prof Cosford said PHE was working to trace the contacts of the two doctors – including a Brighton GP – who were among the four new cases.

"A small number of them will be patients or healthcare workers who have been involved with treating, but it is a small number."

●The World Health Organisation yesterday named the new virus Covid-19.

## 4 arrested in Derry over Lyra murder

FOUR people have been arrested in the investigation into the murder of journalist Lyra McKee.

The men – aged 20, 27, 29 and 52 – were detained under the Terrorism Act in Londonderry on Tuesday morning, a Police Service of Northern Ireland spokesman said.

They are being questioned by detectives at Musgrave Serious Crime Suite in Belfast.

Ms McKee (above) was shot dead while observing disorder in the Creggan area of Derry on April 19 last year.

The New IRA claimed responsibility for the murder, which sparked headlines and revulsion across the UK and Ireland.

PSNI Chief Constable Simon Byrne welcomed the arrests.

He said in a tweet that detectives are "working hard in the pursuit of justice".

Senior investigating officer Detective Superintendent Jason Murphy renewed an appeal for information from people in the Creggan community.

## 'Idiots' hauled off Ben Nevis

FOUR "idiots" wearing trainers had to be rescued from the UK's highest mountain in horrendous weather conditions.

The group became trapped near the 4,411ft summit of Ben Nevis in Scotland, where blizzard conditions and wind chill meant the temperature was a deadly minus 20C.

They were treated in the Belford Hospital in Fort William after a four-hour rescue, suffering from the effects of the cold.

John Stevenson, leader of Lochaber Mountain Rescue Team, said: "They were absolute idiots."

## STRICKEN CRUISERS OFFERED PORN

CRUISE passengers quarantined during the coronavirus outbreak have been offered FREE PORN.

Adult website CamSoda's vice president says his company is trying to ease boredom for the impacted passengers.

The Miami-based porn site is attempting help people stuck aboard Princess Cruises' two quarantined vessels with free webcam sessions.

Daryn Parker said: "They are not only dealing with the fear of infection, which is terrifying, but boredom."

"We like cruises just as much as the next guy, but without activities or human interaction, the boredom must be crippling."

"In an effort to keep their minds off of the coronavirus and to help with the boredom, we're offering passengers and crews

the ability to have fun in a safe and controlled environment with camming."

The Diamond Princess has been under quarantine since Tuesday after an 80-year-old passenger from Hong Kong tested positive for the disease after the ship disembarked.

The number of confirmed coronavirus cases on the ship has jumped to 135.

# GREEN LIGHT FOR HS2 RAIL

BORIS Johnson has announced that the controversial HS2 high-speed rail link WILL be built.

The first phase of the route will travel between London and Birmingham, with a second phase going to Manchester and Leeds.

"It has been a controversial and difficult decision," the Prime Minister said.

He added he would appoint a full-time minister to oversee the project and criticised the HS2 company's management of the scheme.

"I cannot say that HS2 Limited has distinguished itself in the handling of local

communities," said Mr Johnson. "The cost forecasts have exploded, but poor management to date has not detracted from the fundamental value of the project."

The PM said that a series of measures would be taken to

"restore discipline to the programme".

Supporters of HS2 say it will improve transport times, increase capacity, create jobs and rebalance the UK's economy.

Once it is built, journeys will be shorter. London to Birmingham travel times will be cut from one hour 21 minutes to 52 minutes, according to the Department for Transport.

And while it is being built, it is expected to create thousands of jobs and provide a stimulus to economic growth.

## BoJo chief aide: PJ Masks would outshine Cabinet

BORIS Johnson's senior adviser said cartoon superheroes PJ Masks could do a better job of running the country than the current crop of ministers.

Dominic Cummings mocked the Cabinet ahead of a reshuffle on Thursday that's expected to see a number of ministers lose their jobs.

And he suggested the team of animated superheroes (above) – popular with children – could do a better job than all the Cabinet.

"The night time is the right time to fight crime," he said, referring to the TV show in a bizarre doorstep interview by the BBC.

"I can't think of a rhyme."

Asked about the reshuffle, he replied: "PJ Masks will do a greater job than all of them put together."

Chancellor Sajid Javid, Home Secretary Priti Patel, Foreign Secretary Dominic Raab and Transport secretary Grant Shapps are expected to remain in place following the reshuffle.

THE financial ombudsman has been receiving around 3,500 new complaints every week about PPI, as it wades through the final compensation claims stemming from the scandal.

The service received more than 41,500 complaints in the last three months of 2019 – a 72 per cent increase compared with July to September.

The deadline for complaining directly to firms about PPI (payment protection insurance) mis-selling was August 29.

But people have still been able to escalate their complaint to the ombudsman after this date if they were unhappy about how their gripe was dealt with.

PPI was often tacked on to loan agreements without people wanting it or needing it.

## Mucky 'Sir' sent pics of his cock to old pupils

A TEACHER who sent messages and pictures of his knob to former pupils has been banned for life from the profession.

Oliver Paton admitted sending an image of a penis captioned: "Is this what you want? Love to see you video it all x".

He sent a similar image with the words: "I want to see your bottom half spread with your top half x."

He also sent texts saying: "I'm like drunk and hard asf x and horny ha ha x", as well as "fair one...think I need to put porn on x".

In March 2016 a member of staff said the mother of a former pupil had reported that Paton, now 32, had contacted her 17-year-old daughter over social media and used inappropriate language.

The school – John Masefield High School and Sixth Form in Ledbury, Herefordshire – had an inquiry and Paton was issued with a warning letter.

But in June 2018 it was reported that ex pupils were claiming he had sent indecent images of himself to a former pupil.

The Teaching Regulation Agency, sitting in Coventry, dismissed Paton's explanations for his behaviour found the allegations against him proven.

## Man rapped for stripping off in court

MAGISTRATES were forced to remand a man for his disorderly behaviour – because he wouldn't put his clothes on.

Mark Scott, 46, stripped off and was engaging in what the court recorded only as "misbehaviour" in holding cells.

The homeless man, who is South African, faced a charge of behaving in a disorderly manner in Salisbury on February 5.

But he could not be put in the dock at Swindon Magistrates' Court to enter his pleas.

The court record cited the reasons for that no-show as misbehaviour, refusing to engage with the duty solicitor and getting naked in the cells.

The justices recorded a not guilty plea and remanded him in custody until a bail hearing on February 12.

# WOMAN BEAT NEIGHBOUR TO DEATH WITH A GARDEN SPADE

**AT THE COURTS**

**VICTIM:** Louise Lotz had frequent bust-ups with her killer

**A WOMAN'S 'visceral hatred' of her untidy, hoarding next-door-neighbour led her to bludgeon her to death with a garden spade.**

Debby Foxwell, 40, blamed the state of Louise Lotz's mid-terraced home for her inability to sell her own home following years of bad feeling, a jury heard.

After the 64-year-old snatched her phone during a row in the back garden, Foxwell grabbed a spade from her garden shed.

She kicked open the front door of Louise's home and used the spade to smash a television and laptop.

Louise, who was calling the police, had been hiding but ran outside to another neighbour's home shouting: "Help me, help me!"

St Albans Crown Court was told Foxwell followed and attacked her. She then returned home, telling her partner: "It's over. I have done it."

Foxwell denies murdering Louise Lotz in Fordwich Road, Welwyn Garden City, on August 24 last year.

By COLIN HURST  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

The jury have been told she has pleaded guilty to manslaughter on grounds of diminished responsibility.

Opening the case, prosecutor Alan Blake said: "It was a sustained, brutal and merciless attack."

"After a day of tension and disputes over the fence, this defendant went to her shed in her back garden and picked up a spade."

"She walked through her house, number 10, and kicked open the door of number 8 in a furious rage. She used a spade to smash electrical items in the lounge before pursuing her neighbour, who made a run for safety."

"Louise Lotz got to the front door of

number 6. Debby Foxwell caught her and repeatedly bludgeoned her with a spade, before causing catastrophic injuries to her head."

Mr Blake said: "The sustained ferocity of the attack and the number of blows make it plain she intended to kill her and she succeeded in doing so."

Foxwell was prosecuted for assault and criminal damage in 2016 against her neighbour.

Mr Blake said Foxwell's "visceral hatred of Louise Lotz intensified".

On one occasion, a security doorbell recorded Foxwell walking past and swinging her bag into Louise's head as she tended plants in her front garden.

Louise Lotz's lodger, Liam Graham, told the jury: "The house was a shambles. Louise was a bit of a

hoarder. The house was a mess. The rear garden was hardly tended to."

He said Debby Foxwell's garden was "perfect".

On the evening of the killing, warehouse worker Mr Graham said he saw Foxwell turn the spade into something like a machete by turning it on its side and then hit Louise four or five times. Mostly, it hit her head.

"I was close enough to hear everything. I was screaming at her to stop," he said.

"I tried to intervene once. She turned and said 'You best stay out of the way if you know what's good for you'."

He said Foxwell walked off. She is alleged to have told her partner: "It's over. I have done it."

Case proceeding.

The veteran Hollywood star – a true cinema great – passed away last Wednesday at the incredible age of just 103.

Along with his *Spartacus* role, Kirk was also famous for briefly flashing his willy in the 1980 sci-fi flick *Saturn 3* opposite Farrah Fawcett, who died in 2009, and Harvey Keitel.

He was also dad to Michael Douglas, who followed in his old man's footsteps to become a huge Tinseltown figure with roles in *Basic Instinct* and *Wall Street*.

But there is some light to shine

over this unfortunate thespian misery – an update of *Midweek Sport's* world-famous *Celebrity Death Sweep!*

And the spot vacated by dear departed Kirk is taken up by actress Eileen Derbyshire, the former *Coronation Street* star.

Eileen, an amazing 88, played *Corrie's* devout churchgoer Emily Bishop from 1961 to 2016 and made a brief return to the Weatherfield cobbles for a cameo appearance last year.

The longest serving female actress in a British soap opera ever, she was appointed an MBE in the 2010 Queen's Birthday Honours list.

Lee Abbott knifed dad-of-three Christian Thornton 11 times after he barred him from the Hammer and Pincers in Widnes.

He stabbed the 49-year-old in the heart and lungs outside the boozer on Sunday, August 11 last year.

Local Abbott, 35, admits manslaughter but denies murder in a trial at Liverpool Crown Court.

Jurors heard Mr Thornton had barred Abbott, then reported him to the police for threatening to burn down his pub.

The landlord later made a report to Widnes PubWatch, which voted to ban Abbott from every pub for a year.

### Armed

Abbott was informed by letter and went to the Hammer and Pincers at around 3.15pm, armed with a knife in a rucksack.

Opening the trial, David McLachlan, QC, prosecuting, said Mr Thornton, who was practising darts, pushed Abbott outside.

Witnesses described the dad saying "no, get out, you're barred" and telling Abbott "Calm down Lee, go home."

They said Abbott asked: "Why am I barred? What have I done?" before pushing him. Mr McLachlan said CCTV footage showed Mr Thornton ringing 999 and shoving Abbott, who walked away, but then ran at him.

Mr Thornton collapsed and neither paramedics nor a doctor who arrived by helicopter could save his life.

Armed police arrested Abbott at a friend's house an hour later.

Mr McLachlan said he told officers "I attacked that Chris, yeah" and added: "You don't need any evidence, I stabbed him to f\*\*k."

He said Abbott was taken into custody and said "I've f\*\*ked up here, I know that", then "I'm not a bad person, I've been put in a bad situation."

Claire Bourne, a Latin teacher at Newton Prep School, London, was found by her colleagues leaning against a wall, a panel for the Teaching Regulation Agency has heard.

During lesson hours, when she was supposed to be watching over an exam, Ms Bourne was found unable to "speak coherently", "unsteady on her feet", "unable to stand without being supported" and "unable to breathe properly".

Despite the panel concluding that Ms Bourne had behaved in a way "inappropriate and unacceptable for a teacher", it was decided a ban from the classroom was not proportionate.

# UPSKIRT SICKO SNAPPED SCHOOLGIRLS IN SAINSBURY'S SANDWICH SECTION

**COURT  
EXCLUSIVE**

By COLIN HURST [news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

**A SEX pest shopper took "upskirting" pictures inside a Sainsbury's supermarket – lingering in the sandwich aisles for sneaky shots.**

Lewis Taylor, 33, secretly photographed 20 women and girls without them knowing.

A court heard Taylor would "loiter" in the sandwich section of the supermarket and film young girls as they bought lunch.

Prosecutor Lisa McCormick said: "He attended a Sainsbury's Local on five occasions in the school lunch break intent on taking pictures up the skirts of schoolgirls aged between 11 to 16.

"He was seen by the manager upskirting and the police were called.

## Arrested

"A staff member stood near him, with a view to distract him from his endeavours, but the defendant was not disturbed.

"He was loitering in the sandwich section while schoolgirls were there in uniform."

She said Taylor "mingled" among the girls, before kneeling down and filming under their skirts.

Staff confronted him and passed his car number plate on to police, who arrested Taylor at his home.

**LOCAL CRIME:**  
Taylor and store (left)

Officers who searched his home found films and pictures taken at the Sainsbury's store in Caerleon, near Newport, Gwent.

Taylor, of Newport, Gwent, admitted 20 offences of voyeurism.

Matthew Evans, defending, said if Taylor had been caught by an older woman "he might have got a slap around the head".

Mr Evans told the court: "This was very uncharacteristic. Clearly he wasn't himself."

Taylor was handed a community order and a rehabilitation requirement.

He was also ordered to carry out 150 hours' unpaid work and to undertake a three-year course aimed at dealing with his offending.

Judge Christopher Vosper QC said: "You visited the store at school lunch times with the purpose of using your mobile telephone to take photos under the skirts of schoolgirls buying lunch."

## One-day-to-go lag's barmy knife crime

**A PRISONER** who had ONE DAY left on his jail term will stay behind bars after being caught with a makeshift knife.

Steven Bangs, 37, had improvised the knife by pushing a nail into the casing of a pen in his cell at HMP Thameside.

He was at the end of an eight-month term for possession of an offensive weapon but, after being caught with the deadly item in December, he has been given a further three-year sentence.

Bangs admitted possession of an offensive weapon and was jailed at Woolwich Crown Court.

He was caught as part of a joint operation between police and prison staff aimed at reducing violence at the jail.

Today we continue our three-part series, celebrating the regions that will be linked by HS2 – the North, Midlands and the South – by showcasing babes from each of those three regions.

Today, check out stunnas from The Midlands!

## Missus tasers hubby over divorce plan

AN angry wife attacked her husband with a TASER when he asked her for a divorce.

Pamela Carr, 68 (above), has been charged with aggravated domestic battery after she "pulled out a taser and stunned him several times".

A court filing does not indicate whether Carr's husband was injured in the incident at the couple's home in Clearwater, Florida.

Police say that Carr admitted to tasing her 73-year-old husband, but "claims it was in self-defence."

Carr was released after posting a £1,000 bond.

A judge ordered her to have no contact with the victim and she is barred from possessing firearms and ammunition.

Carr will be allowed a one-time visit – in the presence of a police officer – to retrieve her belongings from the couple's residence.

The plaintiff is seeking "actual damages for battery and loss of liberty".

# Battered, shot...

**ON the face of it, Donna Roberts and Robert Fingerhut were the perfect couple.**

**But scheming money-grabber Roberts always wanted more – and she committed murder most horrid to get her mitts on her husband's £500,000 life insurance pay-out...**

**WHEN Donna Roberts was found guilty of husband Robert Fingerhut's slaying in 2003, the wickedness of her actions finally seemed to dawn on her.**

She turned to the jury and openly told them to give her a death sentence, shrugging: "It's the right thing to do."

And having listened to the harrowing details of Roberts' sick plan, those jury members were well within their rights to agree.

Roberts had embarked on a steamy 14-month affair with criminal Nate Jackson before the pair conspired to have Fingerhut brutally killed so they could cash

in on his £500,000 life insurance policy by making it look as though he had been the victim of a carjacking.

This mild-mannered, generous bus depot owner was battered and tortured inside his garage, before being dragged inside his house and shot at point-blank range in the back, chest and head.

And, in a final and heinous act of indignity before he breathed his last, Fingerhut was forced to watch as Roberts performed oral sex on Jackson as the woman he'd been with for 20 years committed the ultimate act of betrayal.

Throughout her trial, Roberts claimed mitigating factors – she'd had a tough upbringing, she'd been in a bad car accident and suffered injuries that affected her judgement, she'd had suicidal thoughts.

But the judge saw through her excuses and lies.

Roberts' son, Michael Fingerhut, is in no doubt about the true character of his stepmother.

During the trial, Roberts had callously turned to Michael, pointed at the banks of TV cameras and exclaimed: "They're all here for me, Michael!" as if relishing her new-found fame.

Speaking in 2014, Michael said: "In the 40 years I've known Donna, she never claimed a head injury."

"My father was a good man. He gave prisoners a job. He gave prisoners a bus ticket so they could visit their families."

### Evil

"He didn't look down on people. He was probably the least prejudiced person on the earth."

"My father is more than just a dead body. He was a person that people cared about."

"She, on the other hand, was pure evil. "When my father was killed, we didn't even know about it until after he'd been buried."

"When the detective told me 'Your dad's dead', my first thought was 'Donna'."

Roberts, now 75 and incarcerated on Death Row, had grown up on a farm in rural Youngstown, Ohio.

## MONSTERS OF DEATH ROW

**THE WORLD'S MOST EVIL MURDERERS AND THE HORRIFIC CRIMES THAT SAW THEM SENTENCED TO EXECUTION...**

As one of five children, she claims she "never got any attention or affection", saying: "I always felt empty."

While her statements have been proved to be untrustworthy, Roberts says she saw her father both physically and verbally abuse her mother, and suggests she was raped by her cousin as a young girl.

In 1966 she married William Raymond and moved to Miami, Florida, where she had a son.

The marriage ended in divorce in 1971.

A year later, Roberts wed Burton Gelfand, but that relationship fell apart in 1980.

By 1983, Roberts had married Robert Fingerhut and moved back to her home town in Ohio.

Roberts and Fingerhut officially divorced in 1985 – but friends and family say it was purely for financial reasons.

Fingerhut wanted to protect their assets in case his business was sued or collapsed. So for

many years after their 'split', Roberts and Fingerhut were, to all intents and purposes, happily married.

He regularly referred to Roberts as his "wife" and doted on her like any good husband would.

The pair were well off, too, earning around £150,000 a year between them, with Roberts also running a local diner.

But there was trouble brewing.

At some point in 2001, Roberts, then 58, met and began a sexual relationship with petty crook Nate Jackson, 44, behind Fingerhut's back.

She was besotted, despite the fact Jackson was several years her junior.

Witnesses in the small town told how they'd seen the pair kissing in public and even booked themselves into a motel suite for illicit romps.

Fingerhut must have sensed his wife was slipping away from him, so he sought to restrict

her movements by giving her less access to his money.

Pal Frank Reynolds told how he'd overheard Roberts ask Fingerhut for \$3,000. When he refused, Reynolds said Roberts was "shaking with rage" and giving him "the dirtiest look".

Despite toyboy lover Jackson being sent to prison in 2001 for a string of burglaries, the vile lovebirds began hatching a terrible plan in a string of letters and phone calls.

One letter from Jackson to Roberts, dated October 2001, read, 'Donna, I got it already planned out on how we are gonna take care of the Robert situation - and baby, it's the best plan ever!'

## Angry

'Because, Donna, it's now time that we really be together so that we can really see the true side of our love.'

'I'm tired of not being able to be with you.'

Roberts, angry at not being able to use Fingerhut as a cash cow, had written back, 'You know you can always count on me - you always could.'

'It'll just be a little tougher now because he only gives me \$100 a week for everything and he makes me write

checks to keep track of it all.'

'I haven't even been allowed to use any of my 52 charge cards. He says they're for emergency only.'

'I'm not used to living like this. I'm used to having plenty of cash for whatever I want and buying everything I want.'

'Maybe those days will return again soon.'

'Do whatever you want to him ASAP. Amen.'

Jackson and Roberts grew ever more brazen, dreaming of how they'd spend Fingerhut's life insurance money.

Jackson scribbled, 'I told you I'm tired of living like this when I don't have to.'

'After we're done, will you get me a 2002 Cadillac Deville? Even if I gotta come to the house and shoot Robert in his f\*\*\*ing head, you're gonna be with me.'

Roberts, meanwhile, secured the murder kit. She replied, 'I went to four stores and finally found your ski mask, boxers and a pair of beautiful fleece-lined black leather gloves.'

Authorities at Lorain Correctional Institute, where Jackson was being detained, recorded telephone calls between the couple.

Court records show,

'In recorded phone conversations between Jackson and Roberts during November 2001, they continued to discuss what Jackson planned to do to Fingerhut'.

In one conversation on November 8, 2001, Jackson told Roberts that he wanted Fingerhut to see Roberts performing oral sex on Jackson before Fingerhut 'goes away'.

And on December 11, 2001, just two days after Jackson was released from prison, Fingerhut was mercilessly executed.

## Ripped

The first cops knew of it was when Roberts called 911, saying 'There's something wrong with my husband'.

That was something of an understatement.

Trumbull County forensic pathologist Dr Humphrey Germaniuk told how Fingerhut had sustained 'lacerations and abrasions to his left hand and head, as well as multiple gunshot wounds to his head, chest and back'.

The damage caused by the bullets from a powerful .357 Magnum handgun had literally ripped Fingerhut's face to shreds, leaving him in a pool of his own blood.

**FACING DEATH PENALTY:** Chemirmir

**POLICE say they have locked up a serial killer who smothered 22 elderly women.**

Billy Chemirmir was charged with the murders of 12 women in 2019 and multiple civil suits have linked him to the deaths of ten others.

The 46-year-old's alleged death count of 22 victims is higher than that of notorious serial killer Jeffrey Dahmer.

Chemirmir is accused of smothering his alleged victims before swiping their jewellery and other prized possessions from their apartments.

He allegedly posed as a healthcare worker and used his experience in the field to target and exploit senior citizens.

Chemirmir has been behind bars for murder since March 2018 after police found Lu Thi Harris, 81, dead inside her Dallas, Texas, home.

In the same month, Chemirmir forced his way into the apartment of a 91-year-old woman, telling her: "Go to bed. Don't fight me."

The woman survived the attack and gave a description of the intruder to cops, who then identified Chemirmir.

A lawsuit filed in Plano pinned him to the murder of Miriam Nelson, who told staff at her retirement home in March 2018 that an

intruder had entered her apartment.

Two days after she notified staff, the 81-year-old was found smothered to death inside her home.

Chemirmir is accused of killings including 91-year-old Phyllis Payne in 2016, and Doris Gleason, 92.

He's been indicted on 12 counts of murder and faces the death penalty.

**G**ORGEOUS Krystal Webb has recently discovered a new way to make herself climax every time she has a cock inside her – by sticking a buttplug up her bottom! The 30-year-old beauty, from Birmingham, says the sensations of having her arse stretched while riding a hard knob has her orgasming within seconds!

Krystal, a curvy 30G, said: “I’m very experimental when it comes to sex, so I’m up for anything, but until a month ago I had never combined a buttplug with normal sex.

“I’d only ever used them to prepare for anal, but when I did try it the sensation was amazing.

“I guess it’s a bit like being doubly penetrated. You get an extra feeling and as the cock pushes inside you it is out of this world.

“Every time I’ve done it I have orgasmed within minutes.

“Nothing else has ever made me come like that!”

**Uni offers

Flogging

**STUDENTS are flocking to sign up to a new university course – in kinky S&M sex!**

The course – for undergrads interested in 50 Shades style sex – shows participants how to WHIP, SPANK and TIE UP each other safely.

Part of the course involves participants watching a video which shows two BDSM practitioners explaining and demonstrating a proper technique for flogging a woman.

Indiana University has hosted the event for five years – organised by student-run Sexual Health Advocacy Group.

One class featured a Kink Workshop – where people were able to “browse educational booths demonstrating the use of different sex toys”.

Both the Kink Workshop and the BDSM Safety Panel had free HIV testing available for people in need.

Indiana University spokesperson Chuck Carney said many students were keen to learn about BDSM.

“One of the topics most requested by students was how to practise BDSM safely,” he said.

“Our public health researchers have found some evidence to suggest that people are engaging in a broader range of sexual activities.

“As a result, it is the IU Health Center’s mission to make sure they practise it safely,

following the BDSM community’s principal tenets of ‘safe, sane and consensual’.”

BDSM – bondage, discipline, dominance and submission – has seen a resurgence since the release of the kinky thriller *Fifty Shades of Grey*, starring Dakota Johnson, in 2015.

But not everyone is happy about the course.

Matt Ahmann, a congress member for the student government at Indiana University, took to his Twitter to slam the school for the event.

Sharing a clip of the event, he said: “Here’s the video of @IUBloomington sponsored and paid for event promoting sexual violence.”

“This event was held in an open room of a dorm hall.

“I find it very disappointing the Indiana University is sponsoring such a weird event.”

Jack DeBrabande was arrested at the Michigan State University early on Saturday morning on two assault charges.

The 20-year-old was drunk when he “stepped to the railing” of a balcony above the 260 First club in St Petersburg, Florida, “removed his penis from his pants, and proceeded to urinate on” the two victims, who were seated downstairs on a bench.

The engineering student was freed on an £800 bail.

## BLASPHEMY DOG GIRL AVOIDS JAIL

A CHRISTIAN woman charged with blasphemy has avoided jail for taking a dog into a mosque.

The case of Suzette Margareth, 52, sparked outrage last summer, when a video emerged showing her in a mosque in Bogor, near the Indonesian capital of Jakarta, wearing shoes and letting her mutt run loose.

Dogs are considered impure in Islam and wearing shoes is forbidden in a mosque.

A Bogor court ruled that Margareth was guilty but decided not to impose a prison term as she has paranoid schizophrenia.

Margareth testified that she went into the mosque because she was being chased and heard voices in her head saying her hubby was getting married there.

The dog died soon after, after being hit by a car.

## Man held over nude rampage!

A MAN was nicked after cops received reports of a NUDE man running wild in the street.

Police responded to reports that a naked man was running around outside "on a rampage" in Oconee, Georgia.

Luke Carter Owens, 21, had beaten on the door of an apartment, then entered and assaulted the resident while attempting to sexually assault him.

While cops were investigating the first incident, a second investigation was occurring nearby.

Owens, still nude, entered a hotel, physically assaulted a female and attempted to sexually assault her.

After Owens was arrested, he assaulted a police officer while he was being placed in the back of a patrol car.

Owens was charged with burglary, assault and battery, criminal sexual conduct, indecent exposure, breach of peace, public disorderly conduct and assault of a law enforcement officer.

He was booked into the Oconee County Detention Centre.

## Nude woman's hide and seek at power plant

A NAKED drunk woman was found hiding inside a public power generator.

Shocked staff at a hydro electric plant came across the lady inside a container that houses their backup generator.

An unnamed colleague said: "The staff member opened the door, saw her, then just slowly closed the doors, backed away, and alerted police."

Workers speculated the woman must have crawled under a security fence and entered the generator container in Ozarks, Missouri.

The generator is so large there is a control room area where the nude woman was found.

Staff said she appeared to be under the influence of "some substance" and she was taken to a local hospital for observation. She was not arrested.

In BBC1's *The Split*, former *Spooks* star Nicola Walker plays Hannah Stern, a divorce lawyer who leaves the family firm to work for some big shot company.

And the show returned for a new series last night.

### Bushes

It's good, old-fashioned, family fun – with added traumatic family break-up thrown in for good measure.

Last night, we also had a death in the family and an ashes-scattering ceremony on Hampstead Heath.

Quite why anyone would want their ashes scattered in a place most famous for gentlemen bumming in

the bushes late at night was not explained.

A singer and reality series star (Donna Air) arrives in Hannah's office wanting to check her pre-nup, though she claims she loves her husband.

Hannah's sisters Nina and Rose, meanwhile, continue to be annoying.

But there is good news for dads, as we've got snaps of Nicola in bed with a topless Alex Kingstone, as well as Annabel Scholey (Nina in the six-parter) and Fiona Button (Rose) with their boobs out!

**CHARGED: Kayla Tindall**

A TEACHER has been charged with rape after PAYING to have sex with two underage students.

Police initially claimed that Kayla Tindall, 32, had sex with a 14-year-old student in October last year.

Then they learned about the allegations regarding Tindall and a second boy, aged 15.

The mother of the second victim said she first found out her son had been raped by his teacher after a phone call from the school in Missouri last month.

She said the head teacher called and told her that she needed to have a conversation with her son when he came home from school – but gave her no more details.

The mum said: "My son told

me what happened. He told me he's been talking, you know, having sex with this woman.

"And they've been having phone conversations. And she was giving him money."

She said her son told her that Tindall had given him around £400 in exchange for having sex with her.

The mum added: "You know she gave him money to do with, you know, big money... money that I wouldn't give him at 15 you know... this is a lot of money."

"If this had been a black person, I'm being honest, they would have been in handcuffs."

Tindall was booked on statutory rape charges. She was later released on a £38,000 bail.

# THE WORLD FAMOUS AGONY Page

Dear Ashleigh,

MY girlfriend always wears stockings and suspenders, but her best feature is probably her 34GG breasts. She gives the best tit-wank a man can get.

When I met her mum, I could tell where she got her fantastic norks from. After a meal at their house recently, the dad pissed off down the boozer and we settled down to watch some telly. But all the time I was staring at the mum's knockers, imagining getting a tit-wank from her.

My girl went to bed and I stayed to watch the end of the movie. But as soon as she'd left, I made a move on her mum. She responded by unbuttoning her blouse and gripping my cock between her giant hooters. I was well away and just about to cream on her norks when her hubby walked in.

I was chased out of the house and now my girlfriend won't talk to me. What should I do?

JD, Merseyside

Ashleigh says...

CHALK it up to experience.

Dear Ashleigh,

MY girlfriend loves watching me having sex with other women – usually her mates – and she has a string of peachy pals that any red-blooded male would love to get his hands on.

Take the other week, for example. She told me she would be inviting Natasha round for dinner on the Saturday night and I should be ready for some fun.

Our guest arrived at 7pm and, after a delicious supper, I was soon conkers-deep in Natasha's lovely clunge.

My missus always watches for a bit and then joins in. This time was no different. She climbed onto the bed and was soon licking her mate's fanny and sucking my cock.

It was brilliant, but I'm thinking of marrying her and wonder if our relationship is strong enough to survive because she now wants to go with other men.

What should I do?

BK, Lancashire

Ashleigh says...

BE careful. It could end in disaster.

## Shoe shop shag show

Dear Ashleigh,

I WORK in a shoe shop and one day a week the manager leaves me in charge.

Recently I was about to close at the end of the day when a smart woman came in. She was about 35, tall and slim.

She asked me about a pair of shoes on display in the window, so I invited her to take a seat while I went to fetch them.

They were a pair of red, strappy sandals and when I got back she'd already slipped off her shoes to reveal her pretty toes set off with scarlet nail polish.

She wasn't wearing tights or stockings and as I lifted her foot to try on

the sandal I couldn't help but admire her long, tanned legs.

But I hesitated slightly and she caught me looking at them.

She smiled and slowly parted her thighs, to reveal she wasn't wearing panties!

At her suggestion, I locked up the shop while she slipped off her skirt, bent over a chair and let me bang her till she squealed.

Now she calls in every week when the boss is away. I love it, of course, but I'm worried I might get sacked if the boss finds out.

What do you think?

FJ, Bucks

Ashleigh says...

TAKE her home and try her on for size there.

# Secret threesomes are hole lot of joy for me!

**Dear Ashleigh,**

**I'M 32, married and hide a saucy secret from my hubby – I enjoy threesomes with two men I work with.**

Our sessions are on Tuesdays and Thursdays, when my hubby thinks I'm at the bingo.

Instead, I go round to my work pal's house where the two of them are ready and waiting.

The sex is always out of this world, but the other week was the best one yet.

I went upstairs and stripped off before diving under the duvet. After a couple of minutes they came in with a bottle of wine and I undressed each one in turn.

## Sucking

I enjoy being licked out and, though one of my lovers is pretty good at it, the other is sensational.

And he soon got going on my love-bud with his expert tongue.

As I lay sucking on one guy's manhood, his pal was like a man possessed as he lapped away at my aching pussy.

After I reached a shuddering climax I got on all fours for one of them to enter me from behind for some frantic doggy-style humping while I sucked on the other one's hard dick.

One of the lusty lads thrust into me as I grabbed the other's cock and furiously wanked him off until he spilled his hot cream over my face and tits.

But the one who was inside me was

like a stallion – I could feel the sweat dripping off his naked body onto my arse as he built up an incredible rhythm.

Several thrusts later I was squealing with delight as I reached yet another shuddering orgasm.

We lay in each other's arms stroking each other for a while to get our breath back.

And after about 20 minutes one of the chaps climbed on top of me and slipped his prick into me for some missionary-style action.

The other lay playing with himself until he, too, was rock-hard again.

Then the three of us managed to position ourselves so that I could take the second guy in my bumhole at the same time as his pal was still shagging my dripping wet pussy.

The feeling of having both guys inside

me – in different holes – filled me with rapture and I had the most amazing, long and intense orgasm ever.

But last weekend my husband came back from the pub and hit me with some devastating news.

He said that one of his pals had told him I'd been cheating on him with the two men from my workplace.

I feel deeply ashamed that I've taken things so far and that I've upset my husband.

Any advice for me?

**Ashleigh says...**

**SEE if you can make things up with your hubby. Cook him something nice, then suck him dry.**

**Dear Ashleigh,**

**I AM a 20-year-old secretary in a legal firm and my 35-year-old boss has taken a shine to me.**

He has always been extremely nice to me and sometimes I have got embarrassed when he praised me in front of other colleagues.

But the other month he came clean about the reasons why and told me he fancied me rotten.

And he promised me a promotion if I slept with him.

So I did – because I really need the extra money.

The first time he had me was over his desk. He took off my thong, licked me out and then f\*\*ked me... hard.

We now have sex up to five times a week and I have good reason to enjoy it.

I have been promoted – twice – and have a company car.

He is very attractive with an athletic body and colleagues tell me he is divorced and unattached.

The problem is that I prefer guys my own age and I have a steady boyfriend.

Should I continue to sleep with him?

**If you are comfortable with the situation, then carry on. If you feel guilty about your fella, then stop.**

## MILF landlady gave me bed 'n' breakfast treat!

**Dear Ashleigh,**

ME and my mate work away from home as contractors and recently shagged the MILF landlady at our digs.

She was a tasty 40-something, slim and blonde with cracking tits and an arse to die for.

Me and my mate went to the pub for a few ales when she walked in with her knockers almost spilling out of her top.

She came over and leant in to me, whispering in my ear that she wanted to f\*\*k me, as she grabbed my bollocks and remarked how well hung I was.

So I quickly finished my pint, left my mate in the pub to carry on boozing and went back to our digs with the randy landlady.

Back at the B&B, I soon had her on the couch in the shared lounge, with her thong off and her soaking wet bean rubbing on my nose.

I quickly made her orgasm with my finger blasting technique before

she told me to bend her over and slam her hard from behind.

About half-an-hour later my mate walked in on us – still banging away in the sitting room.

The old bird grabbed my wet cock and told me to carry on while she beckoned my pal over to join us!

Before long we were spit-roasting her as she screamed in ecstasy and begged for more.

We didn't last long as she was such a good shag and her face ended up covered, like a bukkake scene.

She gave us discount on the room and a free breakfast, but me and my mate have birds back home and feel guilty about boning her.

Please help!

# #MY SEX FANTASY

## 'I'd really like to know what it's like to have two cocks in me!'

### I HAVE a really big thing for double penetration.

I've never tried it, or even had a threesome, but it's definitely on my sex bucket list!

I'm a lucky girl in that I can have vaginal orgasms.

I've never come from anal but it feels really good, so I'd love to experience what both at once feels like – I imagine it's very intense and horny.

The idea of being slutty and having two guys at once is such a turn-on. I have plenty of energy

and could definitely take them both on and more than satisfy them.

I'd also love to suck two dicks at once – that would be so naughty!

My mind is racing now about the different positions I could try – getting pounded from behind by one guy while I give the other one a blowjob sounds hot.

So too is the thought of sitting on a guy's face while I suck a cock.

What can I say, I'm a greedy girl! It's such a turn-on my nipples are getting hard just thinking about this!

## AMY ALEXANDER

LAUNDRETTE owner Fred Sidley begged us for a picture of glamour girl Amy Alexander in her smalls.

The 48-year-old from Rhyl, North Wales, wrote to us wanting a perfect topless snap of his fave blonde, 28-year-old Boston, Lincs, babe Amy.

Fred said: "I own a laundrette and I sit in the back office when it's quiet and I've got a wall full of sexy babes from the *Sport*."

"Amy's 32E corks really stand out and even though she obviously loves a clean pair of knicks, I bet she's pure filth between the sheets."

## TIFFANY ROUSSO

PHOTOGRAPHER Akram Ahmed can only dream of his pics being as raunchy as this one of stunna Tiffany Rousso.

Akram, 43, from Blackburn, Lancs, wrote to us with a saucy request of a boob-baring photo of 28-year-old Tiffany.

Her sweater-stretching 34D bust caught Akram's eye and the Buxton-born babe would be the subject of Akram's ideal photoshoot.

He said: "I'd love to get Tiffany in my studio – but the minute she got those boobs out, it wouldn't just be my camera that'd shoot!"

## LAUREN

GREEN-FINGERED Pete Lambert emailed asking for a shot of pin-up girl Lauren.

Pete, a 36-year-old gardener from Ipswich, Suffolk, loves the outdoors almost as much as he loves pics of 29-year-old Merseyside cracker, Lauren.

He said: "I spend all my time outside in people's gardens and I'd love a sneaky peek of Lauren's lady-garden."

"If I came across those 32Cs in a garden somewhere, I'd be stunned – and I might even have to give her bush a little inspection!"

# REDS CAN KOP WIN IN MADRID

THE Champions League returns next week and Liverpool return to the scene of their 2019 triumph when they meet Atletico Madrid in the Wanda Metropolitano Stadium in their last 16 1st leg tie on Tuesday.

Atleti manager Diego Simeone was reported in the French newspaper L'Equipe last week to be the highest paid manager in European football and, with that in mind, a run of five games without a win prior to their workmanlike 1-0 win over Granada, has put pressure on the Argentinean although, in his defence, he has had to contend with a raft of injuries to key players.

Atletico finished six points behind Juventus in the group stages and, while they are likely to have a number of their better players back, it is hard to make a case for the Madrid club who trail neighbours Real by 13 points in the table and are facing a fight to maintain their Champions League status given they currently sit fourth in La Liga level on points with Seville.

Liverpool are 6/5 at BetVictor to take a lead back to Anfield with the hosts and the draw at 23/10. As well as the Reds have played in the Premier League so far this term, they have ridden their luck at times and did lose in Naples in the group stages of the competition. Jurgen Klopp's side have won their last 11 two-legged ties and have not lost a knock-out phase tie in the Champions League since 2009 when Chelsea beat Liverpool 7-5 on aggregate in the quarter-finals.

## Scrambled

Liverpool are 1/3 to qualify for the last eight with Atleti 9/4 and I think they will get the job done back at Anfield, but they may not have everything their own way in the Spanish capital on Tuesday. The recommendation is for the game to finish in a draw.

England play South Africa in the first of a three-game T20 series in East London this early evening. England's returning spinners Moeen Ali and especially Adil Rashid were the main reason why England levelled the ODI series on Sunday and the latter was exceptional although the fact that Eoin Morgan's side barely scrambled over the line was a bit disconcerting.

Ben Stokes returns to the T20 squad, having been rested for the ODIs, and with the T20 World Cup beginning in Australia later in the year the countdown to the finals starts now. Jofra Archer misses the series with an ongoing elbow injury, but I still expect England to prevail although I hope they are quicker out of the traps today than they were in both the recent Test & ODI series' when they lost the opening game.

England are 8/13 to take a 1-0 lead this afternoon with the Proteas 13/10 at BetVictor. Hosts Australia are 11/4 to win the T20 World Cup later in the year with India 7/2 and New Zealand 13/2.

I would be staggered if the winner did not come from the big four.

# OUR FOOTY NEWS ALWAYS SCORES

**BIG HAND:**  
Clark (right) and Shelvey want to focus on football

# Takeover is still talk of the Toon

## PLAYERS TRY TO FOCUS ON FOOTBALL SAYS CLARK

**CIARAN Clark admits that Toon takeover talk is a big distraction for the players.**

Newcastle have been on the verge of being sold by Mike Ashley for more than two years now.

Different buyers have been linked with the most recent coming from Saudi Arabia.

Defender Clark says the players do their best to ignore what's going on in the boardroom.

He said: "We've had this a couple of times now and we try to take it with a pinch of salt."

"We are aware of stuff being said. We try to put that

By **PAUL THOMAS**

to the back of our minds really."

Newcastle's players are back in training as they bid to keep away from the relegation zone.

Despite the doom and gloom when Steve Bruce replaced Rafa Benitez, the season is going pretty well.

The Toon sit on 31 points, meaning just three wins will get them to the magic 40 mark that usually keeps you in the Premier League.

Clark says the players are upbeat about the rest of the campaign.

He said: "We're on 31 points now. We'd have taken that at

the start of the season. We are only a few points off the top six, so that shows how tight the Premier League is this season."

"It shows the difference a couple of wins can make."

"We made sure we are in the next round of the cup and then we have had time off."

## Bright

"We want to carry on the run we're on and pick up more wins."

While the players are happy, the St James's Park faithful haven't always matched the mood.

There were loud boos after a draw in their last home Premier League match against

Norwich. Clark admits that is hard to hear but is still looking on the bright side.

He said: "Norwich was tough for us because we wanted to get the win, but when you look at the table, the fact we got a point and clean sheet and haven't lost we're happy with that."

"It took us into the top half for a while so it was progress."

"We all know how tough this league is and each game will be difficult."

"We are on a good little run — yes a few draws, but we are unbeaten and we want to keep the momentum going and keep picking up the points."

"It is vital at this stage of the season."

# PILE-UP HITS BUSY CITY

**Little chance of weekend Hammers tie**

**MANCHESTER City and West Ham will NOT play their postponed game this weekend.**

Sunday's clash at the Etihad was called off while Storm Ciara battered the country. The heavy storms meant the match couldn't be played on safety grounds.

It means there's a fixture pile-up for City in particular. There was a suggestion that the match may be played this weekend instead of the teams having their winter break.

That appears to be a non-starter with neither team wanted to curtail their two weeks away from football.

The FA has already said that clubs are not allowed to schedule games during the first winter break in England.

That's why Liverpool boss Jurgen Klopp played the kids in the FA Cup replay against Shrewsbury while the first team were away in the sunshine.

Despite the games now piling up for City, boss Pep Guardiola is adamant about not taking on the Hammers this weekend.

The champions already have to find a date to play Arsenal because they are in the Carabao Cup final

By JOHN ANTHONY

on March 1. Provided they stay in the FA Cup, they will have to move their league clash at Chelsea which gives them three matches to fit in with time running out.

It could be late next month before they face the Hammers.

By then, the title race could be all but over and Guardiola will be preparing for the summer and the next transfer window.

One player who looks likely to leave the Etihad then is Leroy Sane.

Bayern Munich have a new president and he is making the winger his No1 transfer target this summer.

Sane almost moved to his native Germany in the summer but he picked up a bad injury in the Community Shield which has sidelined him.

## Secret

The 24-year-old is back in training and is expected to make his Premier League return before the end of the campaign.

Bayern president Herbert Hainer is making no secret of his desire to sign Sane.

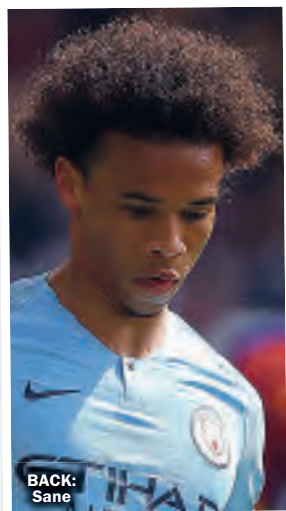

He said: "Leroy Sane is a great player that we are interested in, which is also known."

"Now you have to see how he will come back after his injury."

"According to my information he is now starting to train again but is not yet back in first-team training."

"It can be assumed that we will prepare the team not only for the next season but for the future I don't just mean the German championship, because we want to win the Champions League again."

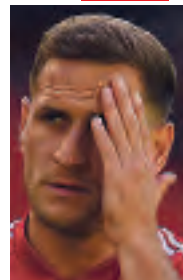

"After all, we have the final at home in 2022 and we want to win there at the latest but I don't mind either."

BACK: Sane

ON THE GO: Pep's City have a lot of games lining up

LIKE A RAZOR: Sharp

## Veteran stays so Sharp at Blades

BILLY Sharp has been a huge player for Sheffield United this season says boss Chris Wilder.

Despite having made just four starts, the club captain is having a major influence according to the gaffer.

Sharp has just turned 34 and was a key figure as the Blades came through the divisions to the Premier League.

He has scored 87 goals in the past four seasons but hasn't been kicking up a fuss about being benched in the top flight.

Instead, Wilder has been paying tribute to his presence around Bramall Lane.

The boss said: "He hasn't played as much as he would have liked. Off the pitch, he's been a fantastic leader."

"It's easy when you're playing and scoring, and Billy has scored so many goals for us, to carry out those leadership duties and when you're not it's a little bit more difficult."

"When you sign players, or keep people at the club, you're looking to sign and keep good people as well. You want ambitious players."

## Reaction

"You want ones who can overcome disappointment and are selfless. You want ones who can face up to challenges."

"Billy had offers to leave in January but he wanted to stay."

"It's been a different type of test, not that I want to put him through a test, but it is, and he showed his reaction. It speaks volumes."

Sheffield United are sitting pretty in sixth despite most pundits saying they would go down when the season kicked off.

Their last victims were Bournemouth and their manager Eddie Howe believes the Blades can keep going and earn a place in next year's Europa League, although that may not suit them with their small squad.

He said: "They're in the mix, they have to be."

"I always anticipated how difficult this game would be."

"They can pass the ball, they can go direct if they need to and they have different ways of scoring goals."

"Their biggest strength is that versatility and it will stand them in good stead."

# WOLFF BARES TEETH TO KEEP LEW

MERCEDES will try to tempt Lewis Hamilton by designing the quickest F1 car in the world.

The Brit is thinking about ending his long association with the team when his contract runs out at the end of this season.

Ferrari are on pole position in the hunt for the world champion who pockets £40m a season.

Experienced Mercedes chief Toto Wolff knows he has to make a massive effort to keep Hamilton and is pouring fortunes into developing

## FORMULA ONE

a new car for the next campaign.

He hopes that will be enough to keep the Brit on board.

He said: "We would like to have the fastest man in the car and I know Lewis wants to be in the fastest car so there is a mutual outcome."

"It is the obvious pairing going forward."

"We travel around the world for 10 months every year, and what we do over the

winter is leave each other in peace."

"The last conversation that I had with Lewis was on the evening of the Christmas party and we agreed that we would continue our discussions when he comes back from America and we have properly kicked off the season."

"I have great belief in the ability of the team to attract the best drivers and, at the moment, Lewis has proven that he is the best driver with his six world titles."

"In the mid and long term I

would hope that we are able to provide technology to the best drivers and attract them to the team."

Mercedes themselves have yet to sign a deal to stay in Formula One beyond the end of this season.

Wolff said: "We wish to continue our successful journey in Formula One. Mercedes provides a great marketing platform for our brand. This is what we do."

Winter testing starts in Barcelona next week ahead of the season's first Grand Prix in Melbourne on March 15.

**But United demand £150m for ace**

**MANCHESTER United  
WILL let Paul Pogba go  
this summer – but only  
for a whopping fee.**

Reports in Europe reveal that the Reds are resigned to losing the Frenchman but they won't let him go on the cheap.

In fact, they want a sub-

stantial profit on that £89m they paid for Pogba in 2016.

If Juventus want him back they may have to shell out a staggering £150m for the 26-year-old.

There are strong rumours that Pogba has already told his team-

mates that he will be on his way this summer.

Real Madrid were thought to be in the driving seat for his signature but the breakthrough of young Uruguay middle man Fede Valverde has cooled their interest in spending so much money.

That leaves China along

with Juventus and Paris St Germain as the only teams that can afford him at these prices.

Many pundits see new signing Bruno Fernandes as a natural replacement for Pogba who looks less and less likely to ever pull on a Manchester United shirt again.
